

A New Awareness Initiative to Highlight Excellence in Our Communities!

Who will you nominate for the SPOTLIGHT?

Share your story of that woman people always say, "She could. So she did."

OBJECTIVE

An initiative of the **Howard County Commission for Women**, the **SO SHE DID** Profile Series highlights women who are making positive changes throughout the county to promote the economic, social and political equality of women.

"So She Did" is part of a well-known quote — "She believed she could. So she did." — which expresses the belief that a determined woman can do anything she sets her mind to. Through this initiative, women who exemplify this saying will be spotlighted during Women's History Month in March.

EVENT DESCRIPTION

The **SO SHE DID** social media campaign will spotlight women each week who empower equity through volunteerism, education, public service, entrepreneurship, or mentoring.
